

VALENTINE'S  
DAY

Author:  
MARIA MIKOŁAJCZAK ITB

Every day...   
When you are not with me,

 I miss you.

You smell like a milion roses. 

 You are that one cloud  
in the sky...  
different from the rest.

Your voice,  
It is like birds singing...   
So beautiful.~

 ~~With you,~~  
All my sorrows are dying.  
When I'm with you,  
My heart beats faster. 

You and me

Always together <3
